Hi Jean -

The CSM meeting will be April 18 from 10am-2pm for technical folks and then 2-5 for the Managers.

I had assumed all these Tuesday meetings would be in Portland, for lack of other proposals.

Cheers
Valerie

Hi all -

Can the CSM meeting which was scheduled to be a half day, be a morning meeting instead of afternoon if the meeting will be in Portland. I did not realize I have evening conflicts with Tuesday beginning April 18.
